### Deadline for late replacement for long distance race on 13 May 2018

For EOC, in case of absence of specific rules, the WOC rules are applied.  
WOC 9.10:

*In individual competitions, between the competition entry deadline and two hours before the first start in the class, a competitor may be replaced for a valid reason (e.g. accident or illness). Change of starting group or qualification race heat is not permitted. No replacement is possible for finals of qualification race competitions or for multi-race competitions after the first race.*

As stated in Rule 12.5, for the long distance race rule 9.10 does not apply.  
WOC 12.5: [...] **Rule 9.10 does not apply to the WOC Long distance competition and the 2018 WOC Middle distance competition; late replacement of runners is not allowed.**

**For EOC 2018, the deadline for late replacement of runners was changed from 12pm on 12 May to the end of the complaint time after the relay, in order to permit the replacement of any athlete injured during the relay. After that time any late replacement is not allowed anymore.**
