EOC 2018

Practical issues

Quarantine/team zone:

- **Only allowed people may enter quarantine and team zone (no children...)**

Transport MQ+MF:

- **Please take minibus according to your bib (start time)**
- **In case of emergency contact EOC staff to solve the problem**
- **Coach have separate transport with no fixed schedule**

Control of EGK 5-days event in the forest (MQ + MF)

- **Only post, flag is hidden on the ground**

EOC 2018

Model events

Serpiano:

- **Today more controls were set as those marked on the model map**

Cademario:

- **This is an old map updated to ISOM2017, unfortunately, some point symbols are smaller as the norm**

EOC 2018

MQ Carona 8.5

EOC 2018

MF Serpiano 9.5

EOC 2018

MF Serpiano 9.5

There is a refreshment point

There is a coaching area in the arena

EOC 2018 Questions

Model Cademario: Please clarify what could we actually learn from this map with regards to general purpose of a model event?

-

What vegetation state will be represented at competition maps?

The current one.

Can competitors leave arena right after their race?

Yes.

How can replaceable control codes like 86 or 66 be distinguished?

There is a line under the number.

Is it allowed to cross symbol 518 impassable fence?

Yes.

EOC 2018 Questions

If you use the symbol 711 out of bounds route is it clear where to pass?

Symbol not used.

Will the clothes from drop off point be at the arena before the runners come to finish?

Yes, we will try to do our best....

What means brown X? Is there any other special symbols, mapped objects?

Brown X is not any more an official symbol for ISOM 2017 norm.

Driving from quarantine to drop-off - 10 or 15 minutes? Different information about that in bulletin

15 minutes.

What size is map? Is it allowed to take own plastic for map?

As indicated in bulletin. Yes, you can take own plastic bags.

Distance of the start triangle?

20 m MQ, 90 m MF.

EOC 2018 Questions

Can you please prevent officials to look at phones in quarantine and pre-start?

Yes.

On the Cima di Medeglia model map one of the roads is too thick.

Yes, it is an error, it happens only on this map.

Are there any forbidden areas which are unmarked in the terrain?

If there is a border line it is marked in the terrain, else not (according to IOF rules).

Can runners go into the forest to train after the competition is over?

Yes, it is possible.

Is the size of the stones according to IOF or Swiss standards?

It is IOF-standards

Additional information:

Starting at the Middle Qualification, hot food will be available in the arena. Sign-up a day ahead of time and buy the vouchers at the information desk.

Next TOM:

Wednesday, 9 May, 17:30 for Sprint Relay
